

# TAKE A PEEK AT TWIN CREEK

Everyone likes moving into a new home. Twin Creek Media are no exception and hosted a networking party in celebration of the grand opening of their new office, which incidentally is at 202-1905 Baron Road. They bill themselves as 'Creative Design for Marketing and Advertising' and can fulfill your photo, 3D, graphic, web design requirements as well as video and audio production. Check out their slick website at [www.twincreekmedia.com](http://www.twincreekmedia.com)
